ISTA PRESIDENT

**IOWA STATE TRAPSHOOTING ASSN.**

**SILENT AUCTION**

Wednesday thru 4:30 pm Saturday

Held in the Registration Building

## GENERAL INFORMATION

A.T.A. rules will govern this tournament and will be strictly enforced. All targets are registered. Additional I.S.T.A. rules are listed below.

The State Executive Committee has complete charge of this shoot. Their decisions in all matters will be final.

Double check your entry cards. Be sure your Class, Yardage and all other information is correct and is legible.

Office Hours:

Tuesday & Wednesday – 8:00 am - 4:30 pm

Thursday, Friday & Saturday – 7:30 am - 4:30 pm

Sunday – 8:00 am - End of shoot

***No shooter will be considered entered until their entry is paid.***

The 2015 State Shoot trapline will be arranged 1 to 17. Targets will be shot 50 per trap. Starting at 11:00 am, July 21, shooters may squad for the entire week by PICKING THEIR TRAP. You must be classified and have a current ATA and ISTA membership prior to squadding. Squadding will be handled on a first come first serve basis.

All purses and options must be played when entering; no additions or cancellations permitted after entry is made.

***No entries refunded unless the event is cancelled.***

All events will be held rain or shine.

During rush periods it will be necessary to take entries for that day only.

All information needed to: Award Trophies, Award Added Money and make report to the A.T.A. is taken from the scoreboard Bulletin Sheets. It is each shooter's responsibility to check all scores and information for each event, and be sure they are correct. The Bulletin Sheets will be left up for one hour after the last score sheet is posted for the event. Once the Bulletin Sheets have been removed from the Bulletin Board, all purses, options, added money, etc. will be figured from the scores that are posted when they are removed. ***We will not refigure any money because a wrong posted score is brought to our attention the following day.***

The scorer must call upon an I.S.T.A. Official to settle any controversy regarding a score, or when an error has been made by being ahead or behind in their scoring.

The Executive Committee reserves the right to call off or to change any portion of the program due to bad weather or other just causes.

***If students are concerned about their amateur status, they should forfeit all trophies and added money.***

All Lewis money will be paid 60-40% (percentage).

All class and yardage purses are paid percentage unless otherwise noted.

DAILY FEES: ATA \$3.00; ISTA \$3.00 plus tax or \$6.42.

## SHOOTER'S RESPONSIBILITY

**All Iowa Shooters must have their current I.S.T.A. Membership Card.**

**All Shooters must have their current A.T.A. Membership Card.**

**All Shooters must have all scores posted and averages figured on A.T.A. Card before presenting it to the Classification Committee or shoot penalty class and yardage.**

BE READY TO COMPETE WHEN YOUR SQUAD IS CALLED TO THE FIRING LINE. THERE WILL BE NO WAITING FOR A LATE SHOOTER. A change in the ATA rules (Section VII Par. A, 6 (pg 27) states: "A shooter that misses the first post in any event may make up that post only, and continue with the squad. Squad members should move off the line during the shoot up function." If you miss more than one post, report to the office.

Squad hustlers have the authority to move squads to different nearby traps at any time. This will be done in an effort to expedite the progress of events.

All squads must shoot in their correct numerical sequence. All shooters must shoot in the squad and position as assigned to them by the office. To do otherwise means disqualification.

A shooter can only make up one sub-event on the practice trap and the balance of the targets will not be scored. If you are unable to join your squad when they start their second sub-event, you must be resquadded and pay a \$10 resquadding fee. All make-ups please report to an I.S.T.A. Official at the practice trap. If the event has been closed and there is no place to resquad, you will not be allowed to make-up.

**A fee of \$10 will be charged if you change your squad AFTER you have entered the event. This fee will be enforced at the 2015 Iowa State Shoot - no exception!** If the office changes you because your yardage changes, no fee will be assessed.

Check score after each completed post, and be sure they are scored correctly before firing at a target on the next post. **Any target scored both dead and lost must be identified in writing or the target will be scored as lost in the office.**

Only errors in addition can be corrected after a score sheet leaves the trap.

High scores and ties in each class will be advanced one class for the next day's competition, except where noted in the program. Yardage winners report to classification desk. Shooters responsibility or be disqualified.
